Hi-Vis Orange

Available sizing : S – 6XL

Tests at the laboratory have demonstrated that the requirements for the flame spread index 3 of standard EN ISO 14116 are met after 50 wash cycles following the labelled instructions (outer layer only index 1).

Washing tests at a laboratory proved that the retro-reflective and fluorescent material still fulfils the requirements of the standard (EN ISO 20471) after 50 wash cycles according to the washing instructions.
